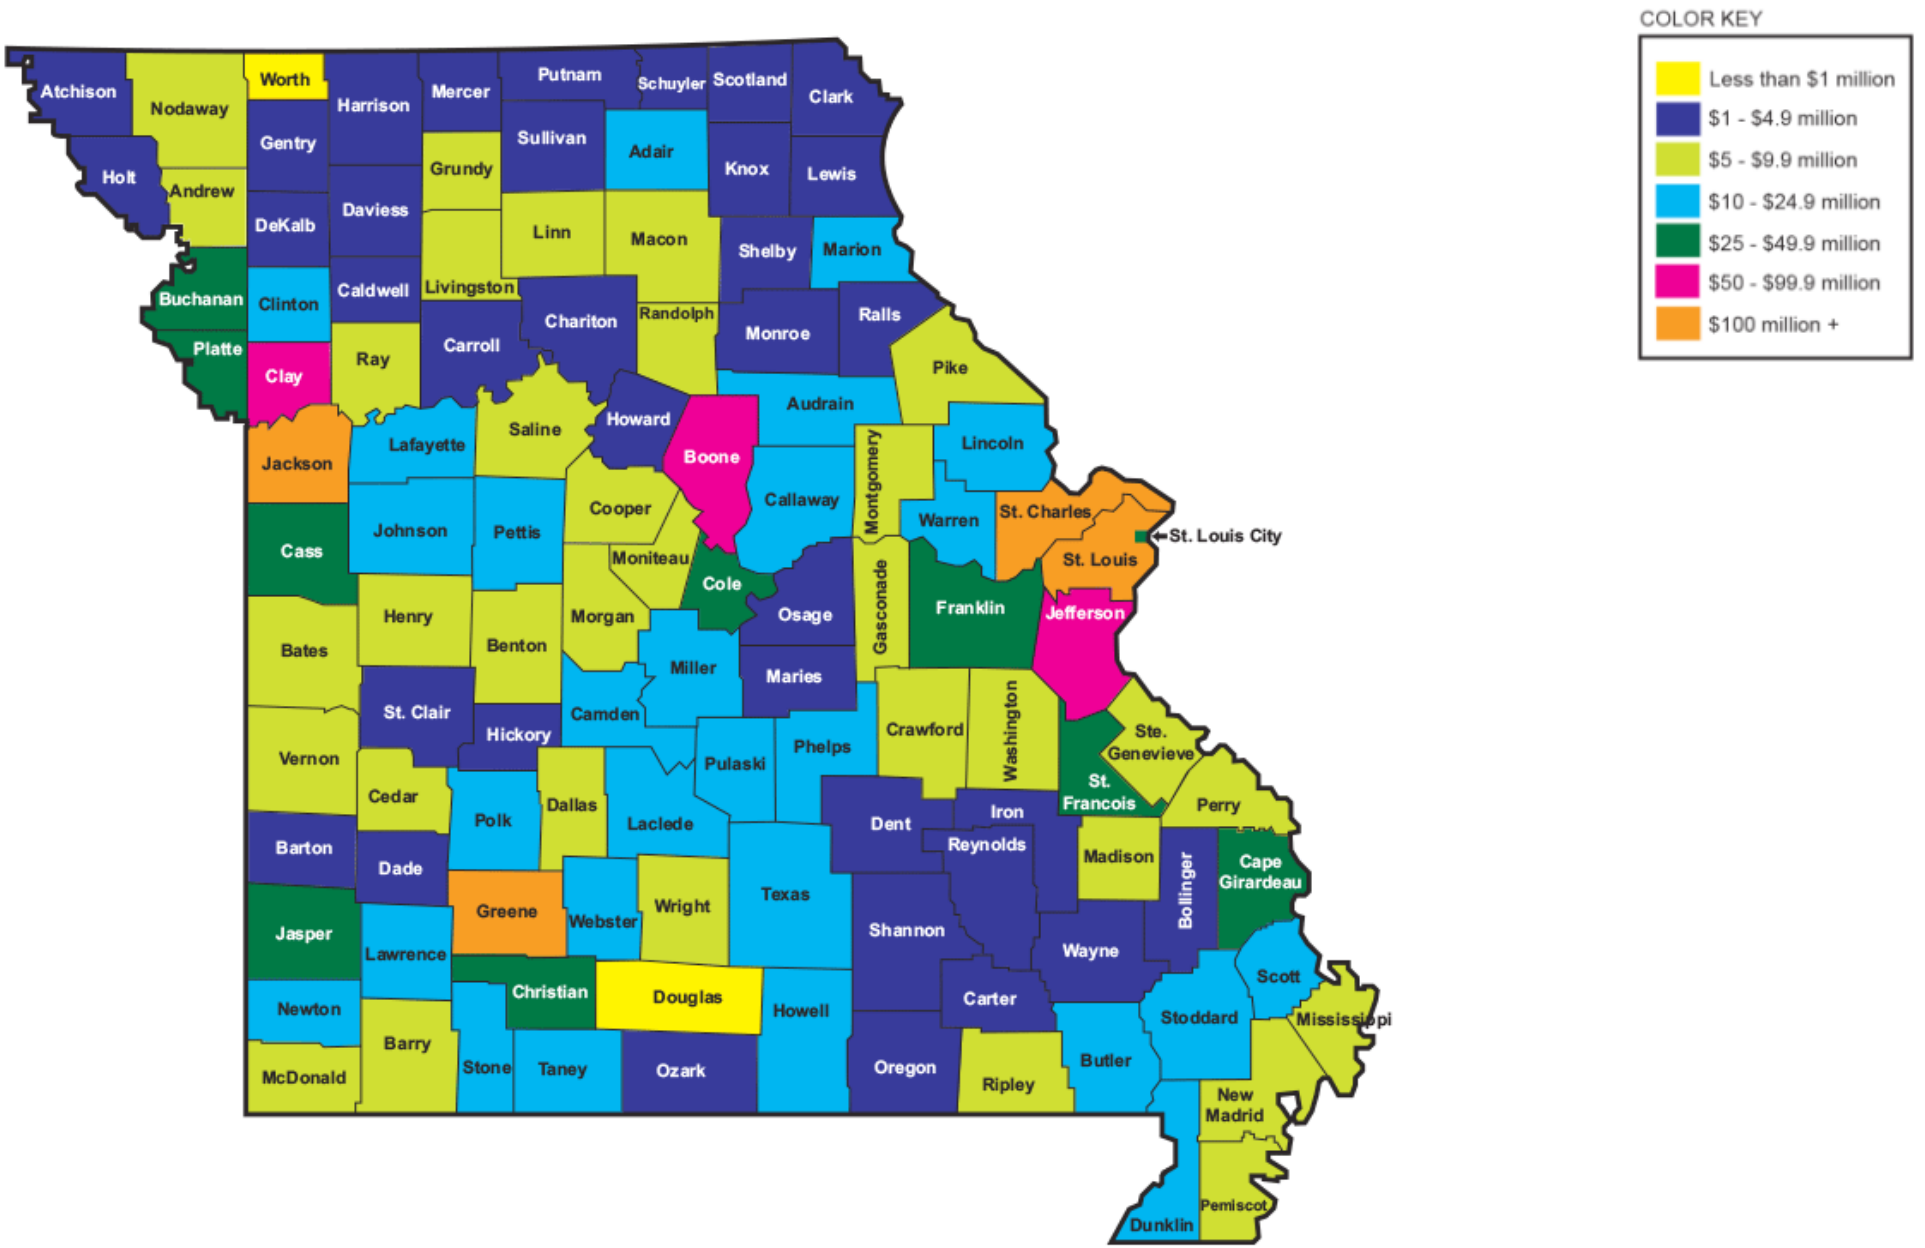
PSRS/PEERS Benefits by County

(as of December 31, 2016)


Of the nearly 90,000 individuals receiving benefits from PSRS/PEERS, approximately 90% of them live in Missouri. As of December 31, 2016, total annual benefit payments were more than $2.6 billion. Of this amount, more than $2.3 billion was distributed among Missouri's 114 counties, positively impacting the state's economy.
