Dear Governor Greitens:

We, the undersigned 21,299 voters, taxpayers, and members of the Missouri Retired Teachers Association (MRTA) request your immediate attention and action regarding appointments to the PSRS/PEERS Board of Trustees.

Currently, there are two seats vacant and one seat with an expired term. One of the vacant seats is the Retiree Representative. This seat is the priority for MRTA. We respectfully ask to have input on this appointment as well as the others. We would recommend Linda Greeson Legislative Chairwoman at MRTA who has applied with your office for this position.

We would like to once again THANK YOU for comments during your State of the State address saying:

“ And let me be perfectly clear: this administration is committed to protecting teachers’ pensions. “

These appointments to the Board of Trustees are very important in protecting teacher pensions. Retirees deserve a strong voice on that board. Thank you for your time and attention to this request. Please do not hesitate to contact us if you have any questions or if we may be of assistance to you.
