3. MRTA advocates for PEERS retirees COLA eligibility to be consistent with the PSRS statute.
4. MRTA supports a COLA increase for the retirees of the PSRS of the City of St. Louis (last increase was in 2006) and the PSRS of Kansas City, MO (last increase was in 2008).
5. MRTA supports an increase to the limit for PSRS/PEERS of Missouri retirees who are currently COLA capped at 80%.
6. MRTA opposes any pension reductions for our active or retired teachers and education personnel (reducing the COLA, tiered plans, etc.).

3. MRTA supports the current independent governance and decisions of the Boards of Trustees of the following public education retirement systems: PSRS/PEERS Retirement System of Missouri, PSRS of Kansas City, Missouri, and PSRS of the City of St. Louis.
4. MRTA supports the current statute mandated by Missouri law requiring the same health insurance premium cost and coverage for retirees as active public school employees.
5. MRTA advocates for an increase in funding of the Foundation Formula. *MRTA supports an increase in the percentage of Missouri revenue spent on public education to the national average.*
6. MRTA supports the General Assembly funding the provisions of SB 727 (2024) which impact traditional public schools. MRTA supports the legislature following through on its statutory requirements each year until fully funded.
